

# BORA® | Will My Saw Fit the BORA® NGX Saw Plate?

## The BORA Saw Plate is Compatible with both Left- and Right-Hand Saws

Check these 3 measurements on your saw to ensure compatibility:

- 1** Width of Saw Base is less than 7 3/4 inches (197mm)
- 2** Length of your Saw Base is between 9 and 12 3/4 inches (228 and 324mm)
- 3** Width from one edge of your Saw Base to the blade is 1 3/4 inches or less (45mm)
